RE: *U.S. Patent Application No. 10/043,877 Confirmation No.: 6285*
Entitled "ANTIHELMINTHIC DRUGS AS A TREATMENT FOR
HYPERPROLIFERATIVE DISEASES" – Tapas Mukhopadhyay et al.
Our reference: INRP:095US

Dear Examiner Fetterolf:

Further to our letter of June 11, 2008 and the telephone conference between you and Dolly Milleson on July 17, 2008, I left a telephone message with you on Monday, July 21, 2008 regarding whether or not you had received and reviewed the copies of the references previously submitted with a Supplemental Information Disclosure Statement on July 30, 2003. We posted these references (references B4 (Canadian Application No. 2 343 470) and B5 (International Publication No. WO 02/076454)) to PAIR on July 17, 2008. I also wished to confirm your statement to Ms. Milleson that the drawings were properly corrected.

The payment of the issue fee is being made with the assumption that the SIDS references have been reviewed and accepted, and that the drawings have also been accepted. Please inform us if either assumption is incorrect.

We appreciate your assistance in this matter.

Sincerely,

Tamara Kale
